# WHY WE GET STUCK

INSIGHT = *F[QUESTIONS POSED]*

What is your relationship to Maunakea?

What does the mauna look like in 100 years?

How can we preserve what others value without devaluing what is important to you?

“Practical truth is more likely found at the bottom and the edges, than at the top or the center, of most groups, institutions, and cultures”

*Richard Rohr*

# LESSONS LEARNED

- Get the questions right
- Create safe spaces
- Map the network
- Find the outliers
- Transparency dilemma
- Narrative > Fact
- Values  $\neq$  Vision
- Administrative record
