**Update #8
(Further Schedule Changes)**

January 5, 2016

I have been asked by the County and the State to defer the posting of the JFF's initial draft report that was to take place on January 6th and the "Informational Briefing" that was scheduled for January 11, 2016 to allow further work on the health chapter which has not yet been completed. A fresh schedule will be posted in the next **Update** as soon as a new schedule is determined.
